**World Day of Migrants
 and Refugees**

In the entire world, there is nobody like you and since the beginning of time, there has never been another person like you. Nobody has your smile, your handwriting or your voice.

No one in the universe sees things as you do, and nobody can reach the quality or the combination of your gifts and talents. You are different from any other person who has lived.

In the history of the World and you are the only one in the entire creation who has your particular set of gifts and talents.

God counts on you for what you are, not for what you possess.

In his eyes, the clothes you wear or the kind of mobile phone you use are of absolutely no concern.

In his eyes you are precious.
