Be thankful you don't have everything you
desire. If you did what would there be to look
forward to? Be thankful when you don't know
something for it gives you the opportunity to
learn. Be thankful for the difficult times.
During those times you grow. Be thankful for
your limitations because they give you
opportunities for improvement. Be thankful
when you're tired and weary because it
means you've made a difference. A life of rich
fulfilment comes to those who are also
thankful for the setbacks. Find a way to be
thankful for your troubles and they can
become your blessings.
